16. After obtaining orders from paras 6-7 n/f, the D.F. had been instructed to send proposals to amend C & R Rules of Fisheries Dept. covering Class I, II, III and IV posts so that a consolidiated notification may be issued after obtaining orders. The D.F. has stated that the draft now sent to Government is to amend the C & R Rules relating to tutorial staff only and that the draft proposals with regard to other posts are under preparation. In view of the difficulty experienced in recruiting the staff to several schools, he has suggested that the draft that has been sent may be got approved. Since the D.F. has stated that other proposals are also on hand, it appears desirable, as per decision already taken, to have the amendments in a consolidiated form to avoid making piece-meal amendments. If approved the D.F. will be requested to expedite the proposals with regard to other posts also so that consolidated amendments may be arranged to be issued as early as possible. (A)

GOVERNMENT OF MYSORE

No.EST/I/861/64-65.

Office of the
Director of Fisheries in Mysore,
Bangalore - 3 : 18 August, 1964.

To

The Secretary to the Government of Mysore,
Agriculture and Forest Department,
Bangalore.

3500/PB

Sir,

Sub: Draft Cadre and Recruitment Rule of Fisheries Department - Tutorial Staff - approval - regarding -

Ref: Government notification No.GAD 51 GRR 57 dated 20-6-60

.....

In the above notification, the establishment of the State Service Cadres in respect of the Fisheries Branch of the Mysore General Service was approved. On the creation of new posts and on account of change on the cadre strength it is felt necessary to revise the cadre and Recruitment Rules in certain category of posts mentioned.

According to the existing Cadre and Recruitment Rules the following category have to be filled up by deputation from Educatin Department.

1. Graduate Assistants.
2. Kannadapandit (Senior)
3. Kannadapandit(Junior)
4. Secondary Grade Teacher/ Assistant Teacher.
5. Higher Elementary Grade Teacher.

Difficulties are being experienced to get the candidates from Education Department as per Cadre and Recruitment Rules inspite of efforts made. It has been intimated by the Director of Public Instruction in Mysore, Bangalore that the teachers in Education Department are not inclined to come and work on deputation basis in this department. With a view not to impede the progress of education in the Fisheries Schools, Candidates are being recruited through Employment Exchange by this Department to avoid hardship and dislocation of teaching work in the best interest of administration.

This proceedure has to be ratified by Government. In view of the inability of getting teachers from Education Department on deputation basis to work in the Fisheries High Schools, located in the interior of the coastal area of the North Kanara and South Kanara Districts, it has been ~~xxxxxxxxx xxxxx~~ proposed to make arrangement to recruit candidates for the categories cited by the Department as in the case of other staff. Hence necessary amendments to the existing rules have been proposed on a par with Education Department.

(p.t.o.)

The following new posts have been sanctioned by Government under different schemes and they would be continued. These posts have no Cadre and Recruitment Rules at present. Hence necessary rules have been proposed.

1. Diploma in Physical Education (P.T.I.)
2. Craft Instructor(Needle work with Tailoring)
3. Craft Instructor (Senior)
4. Kannada Pandit (Selection Grade)
5. Hindi Pandit (Selection Grade)
6. Ist Grade B.T. Assistant. .....
7. Music Teacher.

In respect of the following Posts amendments have been proposed to the existing rules viz.,

1. Workshop Superintendent.
2. Physical Training Instructor.
3. Sewing Minstress.

In the above circumstances, I forward herewith the necessary Cadre & Recruitment Rules for the new posts and modifications in respect of posts which are already existing. Early orders of Government may kindly be obtained and conveyed to me at an early date. The relative Government orders creating the posts and Cadre Strength of the Tutorial staff accompany.

Pending sanction of Government on my above proposal, candidates will be recruited as and when required in the interest of Government work which is for information of Government and ratification.

Early orders of Government may kindly be conveyed to me.

Yours faithfully,

M.V. Kymani 18/8

Director of Fisheries.

B A N G A L O R E - 1

Sir,

SUB:- FISHERIES - Cadre & Recruitment Rules for the posts of Administrative Officer & Planning Officer - submitted -

----oOo----

In G.O.No.AF 381 AML 64 dated 12-3-65 Government have sanctioned the following among Class II posts(Gazetted)

1. Administrative Officer(Under the Dy.Director of Fisheries(Engineer)
2. Planning Officer.

MYSORE GOVT. SECRETARIAT (AGRL. & FOREST DEPT.) No. 1953/PR 17 MAR 1966

Since these are new posts it is necessary that they should be brought under the Cadre and Recruitment Rules. The first post is a purely administrative post, the discharge of the duties of which does not require technical qualification. The second post would require a person with expenience of office work, formulation of schemes, compilation and assessment of reports of performance etc. I therefore propose that these posts may be included in the cadre and recruitment rules prescribing the qualifications and method of recruitment similar to those prescribed for the post of Headquarters Assistant to the Director of Fisheries. I therefore suggest the following amendment to the existing cadre and recruitment rules.

Cadre strength:-

Under the entries Class II posts add the following after Headquarters Assistant to Director of Fisheries.

(1) Administrative officer ... 1
Rs. 275-20-375-25-600

(2) Planning Officer ... ... 1
Rs. 275-20-375-25-600

Recruitment Rules:-

In column 1 of the entries relating to the category of posts of Headquarters Assistant to the Director of Fisheries add the following.

P.T.O.

5!

1. Administrative Officer
2. Planning Officer

I request that the Government may kindly be moved to approve the above Cadre and Recruitment Rules and issue necessary amendment.

Yours faithfully,

J/15.3.

Dear Sir,

Sub: Uniform designation - Cadre and Recruitment Rules - Amendment to the Cadre and Recruitment Rules - Proposals called for with draft notification - regarding.

Ref: Your D.O. letter No. AFD 112 VFE 64 dated 28-2-1967.

The original letter of the Government dated 3-9-1964 relates to the draft Cadre and Recruitment Rules of the department and not with the question of uniform designation of posts in the department. Draft Cadre and Recruitment Rules and amendments to certain existing rules for Class I and Class II posts were submitted to the Government with my letter No. EST. I. 1785/64-65 dated 10-2-1967. As you know, the draft submitted by me was also discussed with you and the Development Commissioner in his chambers and I have been asked to revise the draft. This is being done. The revised draft and amendments to the rules in respect of Class III posts are being prepared and will be submitted shortly. The question of issuing administrative orders regarding the uniform designation is already under the consideration of the Government and the same is not pending at my level. However, necessary proposals for the uniform designation have also been included along with the draft amendments now under submission.

Yours Sincerly,

(G.LAKSHMINARAYANA RAO),
